## CAREER

I have built consistent on-camera experience through a variety of concept-based profile shoots, exploring styles from fashion and beauty to lifestyle. This has helped me develop strong concept understanding and expressive versatility.

Although I have not yet participated in paid commercial projects, I continue to refine my posing, facial expressions, and overall set awareness. Despite being a new model, I am often told that I carry myself with a professional attitude and level of preparation. I am eager to grow in a professional environment and confident in my ability to adapt quickly and demonstrate strong potential across diverse styles.
